

Best Friends Animal Hospital is a full service medical and surgical practice, we also fulfill a need in our community for 24-hour Urgent and Emergency Care. We are an AAHA accredited state-of-the-art facility with ten doctors. Our wide range of services include pet wellness, surgery, imaging services, including 16 slice CT scanner, laser treatments, dental, laboratory, orthopedic rehabilitation, boarding and pet crematorium.

Qualities We Hire

At Best Friends Animal Hospital, we strive to hire candidates with a strong sense of teamwork, communication skills, flexibility, professional appearance, punctuality, confidence, and attention to detail.

Kennel Attendant

Kennel Attendants provide the day to day care of boarding animals. Responsibilities include feeding, watering, walking, bathing, and monitoring the wellbeing of boarding animals. Additional responsibilities include cleaning and disinfecting of all cages and kennels and cleaning daycare yards.

Veterinary Receptionist

Veterinary Receptionists are our first line for providing excellent customer service. Receptionists greet customers, answer phones, schedule appointments using Avimark software, maintain client records, and use a variety of office equipment.

Veterinary Technicians and Veterinary Assistants

Veterinary Technicians and Veterinary Assistants play an essential role treating both patients and clients with professionalism and compassionate care. Responsibilities include animal handling, assisting veterinarians in exams, procedures, anesthesia and surgeries, thorough medical documentation, administration of vaccines, in-house lab procedures, digital radiology, as well as hospital maintenance (i.e. laundry, kennel cleaning, animal waste removal, janitorial duties, etc.). Strong verbal communication skills, documentation skills, analysis skills, performing diagnostic procedures and knowledge of animal behavior are expected of this position.
